

A FUGRO Experience: Life and Times of a Geotechnical Engineer

**Presented by
Rebecca Russo, P.E.**

March 17, 2005

12:00 P.M.

Geotechnical Seminar

Mason Building, Rm 142A

Ms. Russo will present a discussion of the Fugro Companies, her geotechnical engineering experiences, and specific case studies in Fugro offices where geotechnical engineers are currently needed. Fugro is an international company with opportunities in the US and abroad.

Lunch will be served after the presentation.
